

# ENTER

EU Foreign Policy Facing New Realities

**In a world of accelerating change, EU foreign policy is facing a set of new realities. COST Action ENTER is a cutting-edge international research network that focuses on these new realities and their consequences for perceptions, communication, contestation, and international relations.**

**The fully-funded network includes scholars from various disciplines, as well as practitioners, and students.**

**Our international research network offers:**

- **5 Working Groups**
- **Scientific Workshops**
- **Short Research Stays**
- **Conference Grants**
- **Training Schools**
- **Newsletters**

**Join us today!**

**Prof. Dr. Michèle Knodt**, Action Chair  
Technische Universität Darmstadt

**Prof. Dr. Patrick Müller**, Action Vice-Chair  
Vienna School of International Studies

**Dr. Jonas Schoenefeld**, Network Manager  
Technische Universität Darmstadt
