Deadline: 1 July 2021

COST Action ENTER (CA17119) calls for applications for Virtual Mobility (VM) Grants. This mechanism intends to stimulate virtual collaboration among the members.

The following eligibility criteria apply:

- The applicant(s) shall inform the MC about the aim of the VM Grant and how its outcomes will generate benefits to COST Action ENTER, actively contribute to the activities and overall objectives of the Action and submit a report at the end, to be approved by the VNS manager on behalf of the MC.

The selection of successful grantees will be based on contributions to the overall objectives of COST Action ENTER, the strategy on the virtual networking of COST Action ENTER and the implementation of the COST Excellence and Inclusiveness Policy.
